## Who is more knowledgeable?

بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ

Imaam ad-Daarimee reported:

أخبرنا سليمان بن حرب ثنا حماد بن سلمة عن يعلى بن حكيم عن سعيد بن جبير انه حدث يوما بحديث عن النبي صلى الله عليه وسلم فقال رجل في كتاب الله ما يخالف هذا قال الا أراني أحدثك عن رسول الله صلى الله عليه وسلم وتعرض فيه بكتاب الله كان رسول الله صلى الله عليه وسلم أعلم بكتاب الله منك

((We had heard from Sulaymaan bin Harb who said that Hamaad bin Salamah reported from Ya'laa bin Hakeem that Sa'eed bin Jubayr reported to him that there was a day where he was narrating a statement of the Prophet Salallaahu alaihi wa salam so a man said: "In the book of Allaah is something which differs with this". So Sa'eed bin Jubayr said: "I see that I am narrating to you from the Messenger of Allaah Salallaahu alaihi wa salam and you argue with it with the Book of Allaah. The Messenger of Allaah salallaahu alaihi wa salam was more knowledgeable about the Book of Allaah than you"))
